

**Lead Care International**

An ISO 9001:2015 Certified Company

**PRODUCT CATALOGUE**

Lead Care International started its operations in 2015. It initially emerged into the market as a single state player and has grown up to a trust worthy organization in just 4 years, serving our clients, distributors and Doctors with high quality products.

## OUR MISSION

ADVANCED NUTRITION through SIMPLIFIED solutions.

## THE '3' COMMANDMENTS AT LEAD CARE INTERNATIONAL

- 1 Strive to come up with innovative yet simplistic Nutrition products time to time with superior quality, compliance and value for money.
- 2 Offer a wide range of quality nutrition products that positively contributes to your well-being and helps in leading a quality and healthy life.
- 3 Establish long-term relationship with our clients, Distributors, Doctors and consumers with high quality and trust and thus creating a win-win situation.

## QUALITY

LCI is strongly committed in providing superior quality products with all the required certifications & COA.

We continuously strive in bringing variety of innovative products time to time, with the concept

**“NUTRITION ANY TIME, ANY WHERE”**

Our, such innovations are:

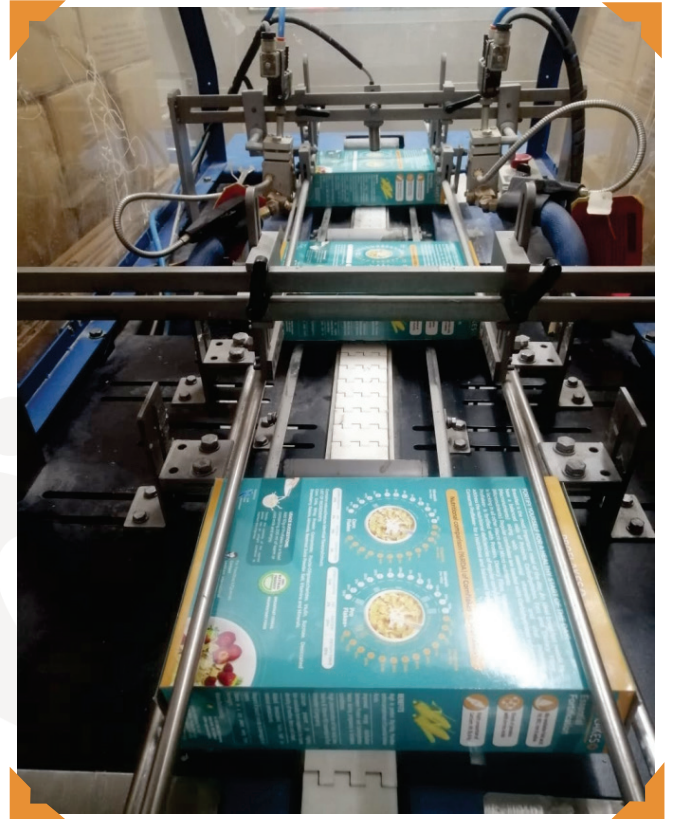

- PROTEIN in the POCKET
- Tasty CALCIUM & Vit.D in Diskette
- PROTEIN & DHA in your bowl

## INFANT FORMULA CERTIFICATIONS

**INFRASTRUCTURE:** Our products are manufactured in a 22,500 ft factory at Peenya, Bangalore, where quality & discipline are paramount. The plant is **USFDA, KOSHER, BRC & FSSAI certified**. Our Infant nutrition products are also **ISI certified** and formulated as per Indian & International guidelines.

*Quality is not an act, it is a habit.*
